This Agreement is made on **[DATE]** between Business Partner Solutions, a limited liability company, Commercial Registration no. 1009014355, Riyadh, acting under the licence described in **[LICENSE_DESCRIPTION — attach the licence and confirm its scope before this wording is used]** ("Business Partner"), and **[CLIENT_NAME]**, Commercial Registration no. **[CR_NO]**, address **[ADDRESS]**, whose signatory is authorised by **[AUTHORISATION]** (the "Client").

1. Definitions

1.1 "Assigned Employee": a Saudi national assigned to the Client under an Assignment Schedule. "Registered Employer": the entity registered with the authorities and social insurance as the employer of the Assigned Employee, being **[the Client — Option A]**. "Assignment Schedule": Schedule 1. "Timesheet": the record of hours worked, approved by the Client. "Deliverables": the work product described in the Assignment Schedule. "Scope": the tasks and limits described in the Assignment Schedule. "Hours" and "Fees": as in Schedules 1 and 2.

2. Services and roles

2.1 The Client directs the Assigned Employee's day-to-day work within the Scope. Business Partner selects and matches the employee, trains and develops them, follows up performance, and handles scheduling and replacement.

2.2 **[Employment structure. OPTION A (working assumption): the Client is the Registered Employer under a genuine part-time or flexible contract (form in Schedule 3); Business Partner manages and invoices its own services. OPTION B and OPTION C: text reserved until the licence scope is confirmed. Not to be written before that.]**

3. Genuine work and integrity

3.1 Every assignment is genuine work with a Client deliverable, a Timesheet and a signed Scope. Neither party shall register or maintain an employee without actual work, and either party may end the assignment immediately if that occurs.

3.2 Work and training records are kept for each Assigned Employee. The Client may inspect them and each party shall cooperate with the competent authorities and any inspection. Records containing personal data are shown to authorities only as required, and the employee is notified.

3.3 No Assigned Employee is presented as counting toward more than one entity.

4. Client obligations as Registered Employer

4.1 The Client registers the Assigned Employee with the authorities and social insurance, pays wages on time through the wage protection system, provides medical insurance, end-of-service entitlements and leave, and keeps these records.

4.2 The Client defines tasks within the Scope, provides access, tools and a safe working environment, and approves Timesheets within **[APPROVAL_DAYS]** days. It shall not assign work outside the Scope or the agreed hours without a written change to the Assignment Schedule.

4.3 The Client indemnifies Business Partner against labour claims and penalties arising from the Client's own acts or omissions as employer. **[Scope of indemnity reserved for legal review.]**

5. Fees, payment and suspension

5.1 Fees are as in Schedule 2 and exclude VAT (15%). **[Invoice structure: all-inclusive or separate management fee. Legal recommends separate invoices under Option A. Owner decision pending.]** Invoices are issued monthly, payable **[PAYMENT_TERMS]**; late payment carries **[LATE_PAYMENT_TERMS]**.

INTERNAL DRAFT — NOT FINAL

5.2 Performance-linked pay, if any, is agreed in the Assignment Schedule and is paid to the employee through the Registered Employer's payroll so that it enters the social insurance wage: **[VARIABLE_PAY_TERMS]**.

5.3 Business Partner may suspend its services for non-payment, without affecting wages owed to the employee by the Registered Employer.

6. Replacement

6.1 If the Assigned Employee is absent for more than **[REPLACEMENT_DAYS]** days or leaves, Business Partner proposes a replacement within **[REPLACEMENT_PERIOD]**. A replacement needs the Client's consent, a new contract and new registration, and does not create double counting or double fees.

7. Confidentiality and personal data

7.1 The parties are bound by the Non-Disclosure Agreement signed between them, which this Agreement does not cancel and which is not affected by any entire-agreement clause. Confidentiality extends to the Client's devices and accounts used by the Assigned Employee.

7.2 Each party's role in processing the employee's personal data (controller or processor) is **[DATA_ROLES]**. Transfer of personal data outside the Kingdom happens only where necessary and lawful.

8. Conflicts of interest

8.1 Business Partner shall not assign the same employee to direct competitors of the Client except with the written consent of both. It keeps each client's information separate, and the employee undertakes in writing not to use one client's information for another.

8.2 The Client may refuse the assignment of a particular employee on a reasonable ground, and materials are returned when the assignment ends.

9. Localisation statement

9.1 Business Partner gives no commitment as to any Nitaqat result or band, nor that one employee counts for more than one entity. Counting follows the official conditions at the time of counting and the structure registered with the authorities. Business Partner does not register an employee with another entity to raise that entity's ratio.

10. Term and termination

10.1 Term: **[TERM_MONTHS]** months from the start date, and not more than 12 months for a flexible engagement with one employer. Notice of termination: **[NOTICE_DAYS]** days, with Business Partner's fees due for the notice period.

10.2 **[Under Option A, end-of-service entitlements and wages for the remaining term on early termination without a legitimate reason fall on the Client as employer. Owner decision and legal verification pending.]**

11. Liability

11.1 Business Partner's liability is capped at the fees of the last 12 months, except for fraud and gross negligence. **[Cap and exceptions reserved for final legal review.]**

12. General

12.1 Work product created by the Assigned Employee for the Client belongs to the Client. Leave and absence of the employee are approved by **[LEAVE_APPROVER]** and coordinated with the Timesheet.

12.2 Force majeure, assignment of the Agreement and notices: **[reserved for legal drafting]**.

12.3 This Agreement is governed by the laws of the Kingdom of Saudi Arabia and the courts of Riyadh have exclusive jurisdiction. It is made in Arabic and English; if they differ, the Arabic text prevails.
